RESOURCES AND CHALLENGES

Resources of The Heal Hub	
Facility	2700 sq. ft. modern wellness center in South Extension Part 2 — premium zone with easy access for clients from GK, Lajpat Nagar, and Defence Colony.
Therapy Equipment	Cupping Sets, Dry Needles, IASTM tools, Chiropractic tables, resistance bands, yoga gear, Kasa thali etc.
Location	Situated in an upper-income, health-aware catchment area (South Delhi).

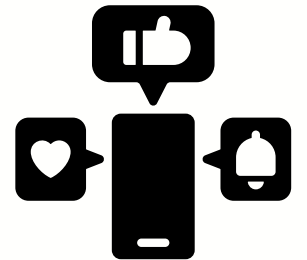

Summary Line for Slide

Most local players are either too clinical or too casual. The Heal Hub delivers personalized, effective healing in a way South Delhi clients haven't experienced before — and that's our competitive edge.

Key Challenges Right Now

- **Low Client Footfall**
 1. No steady traffic source — reliant on organic word of mouth
 2. No lead-generating ad campaigns active

- **Limited Digital Discovery**
 1. Weak Google ranking for local searches like “cupping therapy near me” or “posture correction South Delhi”
 2. Under-leveraged Instagram page (inconsistent posting + no geo-targeted content)

- **Offline Invisibility**
 1. No tie-ups with RWAs, gyms, clinics, or cafés nearby
 2. No brand presence in key walk-in locations around South Ex
